

Volunteering at Windham Academy

Windham Academy relies on a culture of volunteerism by parents, families, and the community. As such, we encourage parents and families to share their time and talents with our school.

Windham Academy Charter School recommends that parents/guardians of our students volunteer 20 hours per year. We realize that our families have unique gifts and can contribute to our school in many ways. The school has many opportunities to assist our teachers, students and staff throughout the year, either during special events or on a regular basis. Ongoing activities include committees to help with Fundraising, Communications, Facilities, as well as the PTO.

All volunteers who will be around students are required to undergo a Criminal History Background Check. We have information regarding this process in the main office at the school. Please call or email if you have any questions.

For those families who are not able to donate of their time, we appreciate your consideration of a tax deductible monetary donation to Windham Academy.
